70th Mountaineer Boys' State Begins

The 70th Annual American Legion Boys' State was officially underway yesterday afternoon. At 12 noon, Clarence Walton, Director, and Steve Sluss, Administrator, opened registration for the 2007 Boys' State delegates.

Approximately 325 young men from all regions of West Virginia, went through the registration process where they received their cottage and party assignment, as well as a Mountaineer Boys' State T-shirt. The delegates then reported to the medical staff to turn in their physical forms.

Upon leaving the Assembly Hall, it was on to the cottage to meet the counselors, find a bed, have orientation, and get ready for the Law Lecture and Bar Exam. At the cottage each delegate was given a WV Blue Book, and the American Legion's Boys' State Manual of Government.

This year's Boys' State program includes a banking system, a newspaper, touch-screen voting, and the opportunity for hands on learning. Delegates will also have the opportunity to become a State Trooper, Conservation Officer, or a member of the National Guard.

The Boys' State counselors and staff are always available to help with any need that may arise. If you need help with your campaign or are homesick, please let us know.

Throughout the week, you will be scored on many phases of citizenship while participating in the activities of Mountaineer Boys' State.

The newspaper will be staffed by delegates under the guidance of Betsy Byers. The delegates will report on guest speakers, elections, classes, legislative news, cottage happenings, athletics, and what is taking place at the state, county, and city levels of government. We encourage you to get involved in everything offered this week—it's a once in a lifetime opportunity!

If you know of any newsworthy happening, stop by the newspaper office located in the Dorsey Center and let us know.

Have a great time, learn alot about state government, and make many new friends.

Enjoy your week at Jackson's Mill!!!

Boys' State Choir

All citizens of MBS who are interested in being part of the Mountaineer Boys' State Choir please report to the front porch of the dining hall immediately following the party caucus. This meeting will last approximately one half hour. You will perform three times daily at meals, as well as for other special events such as the Wednesday evening assembly and the Friday night talent show. This is a part-time paid position. You may participate in the choir as well as all the other scheduled activities.

Boys' State is Hi-Tech

Delegates will use Touch-screen voting for the state wide races in the Primary and General Elections. Mountaineer Boys' State is probably the only Boys' State program in the country to use the touch-screen voting system.

Danny Cline and Don McMillian, of Casto & Harris, are providing the system and the programming for our election. West Virginia Secretary of State, Betty Ireland, has provided the voting machines through Election Systems and Software.

Delegates will receive instruction on how the voting process works during the Voting Procedure Informational Meeting this morning.

American Legion Mountaineer Boys' State appreciates Danny and Don of Casto & Harris.

The question is often asked, "Who foots the bill for Boys' State? Who pays for the week of citizenship and fellowship enjoyed at Jackson's Mill? Who pays for the transportation, insurance, and administrative costs?" Civic clubs, lodges, school booster clubs, the American Legion and service organizations, as well as business firms, sponsor students to Boys' State. The WV Department of the American Legion pays for the administrative cost.

All delegates of Boys' State are selected by the High School Principal or by local American Legion Post officials.

Please be sure to write and thank your sponsor for enabling you to attend Mountaineer Boys' State by supplementing the cost of the program. Boys' State stationery and envelopes are available in the Dorsey Center.

Don't Pass It Up, Pick It Up!!!

The campus of Jackson's Mill is a beautiful place. Let's take good care of it this week by picking up trash and depositing it in trash cans. Also put the pop cans in special containers where available, so we leave the grounds as clean and neat as they were when we arrived Sunday.

Parents and friends back home can keep up with all the happenings here at Mountaineer Boys' State by accessing the official website. During the week of Boys' State, the website will transform itself into Mountaineer Boys' State Live!!!

The website, maintained by Jacob McCarty, will include election results, the daily schedule, athletic results, pictures and much, much, more.

Be sure to have everyone at home check out the website!!!!

A Brief History of Boys' State

American Legion Boys' State is among the most respected and selective educational programs of government instruction for high school students. It is a participatory program where each participant becomes a part of the operation of his local, county and state government.

Boys State has been a program of The American Legion since 1935 when it organized to counter the Fascist inspired Young Pioneer Camps. The program was the idea of two Illinois Legionnaires, Hayes Kennedy and Harold Card, who organized the first Boys State at the Illinois State Fairgrounds in Springfield. The American Legion Auxiliary sponsors a similar program for young ladies called Girls State.

At American Legion Boys State, participants are exposed to the rights and privileges, the duties and the responsibilities of a franchised citizen. The training is objective and practical with city, county and state governments operated by the students elected to the various offices. Activities include legislative sessions, court proceedings, law enforcement presentations, assemblies, bands, chorus and recreational programs. High school juniors are selected by local American Legion Posts to attend the program. In most cases, expenses associated with attending this program are paid by a sponsoring American Legion Post, a local business or another community-based organization.

American Legion Boys State is currently conducted in 49 Departments of The American Legion. Hawaii does not conduct a program. As separate corporations, Boys States vary in content and method of procedure, but each and every Boys State adheres to the basic concept of the program that of teaching government from the township to the state level.

Why Do We March?

By now many delegates have grumbled about marching everywhere they go. Many are asking, "WHY do we have to march?" The answer to that question is simple. Marching is the most efficient, and more importantly, the SAFEST way to move large groups of people in the limited amount of time we have. Mountaineer Boys' State has a very good safety record in its sixty-nine year history. Requiring the citizens to march is a major factor in achieving and maintaining that record.

Secondly, we are visited by many dignitaries and other guests throughout the week. Seeing the delegates marching to their classes, to the dining hall, and to the assembly hall is quite impressive and adds to the prestige of Boys' State. Marching is as much a part of Boys' State as the American Legion itself.

Hup...two... three... four.... and have fun!!!!
