## JOB APPLICATION

If you are not selected for the position applied for, would you consider employment, if offered, in one of the other positions?   Y     N  

Explain your answer:

If you are not selected for the position applied for, and you are offered no other position on this application, what do you plan to do, career wise, at the American Legion Mountaineer Boys State?

List all criminal offenses (including traffic, hunting, fishing, etc.) that you have been convicted of?

For the purposes of this question, you are to assume that you have been selected for the position you desire. You and your girlfriend are attending a movie at a packed theater. You are about 10 minutes into the movie when you think you smell smoke. A few moments later, you think you see a flame(s) coming from a corner of the theater near the movie screen. What is the **first** thing you would do?

For the purposes of this question, you are to assume that you have been selected for the position you desire. Your assigned job responsibilities include the protection of flora and fauna in a sensitive area within your jurisdiction and you have received specific instructions that all violators should be arrested. You observe several individuals violating the rules regarding the sensitive area by picking just a couple of the thousands of flowers (flora) that you are assigned to protect. Upon further investigation, you determine that the individuals are your mother and father. What action(s), if any, would you take?

---

AGREEMENT: I understand that my participation in this career path will prohibit me from participating in other American Legion Mountaineer Boys State activities, including athletics. I further understand that upon successfully being selected/hired, I will be employed **full time** and that employment may require me to work irregular hours. By signing below, I acknowledge that upon selection, I will be committed to the employment position and will attend all work sessions and I make this commitment **VOLUNTARILY**. I also affirm that the information provided is true and accurate to the best of my knowledge.
