

The Governor of the State of West Virginia, The Honorable Arch A. Moore, Jr., made his annual visit to Boys' State yesterday afternoon. He touched down in the State helicopter in front of the Assembly Hall at 2:30 P.M. After greeting staff members and elected officials of Mountaineer Boys' State at GHQ, he proceeded to the reviewing stand for the formal review by the Boys' Staters, which he rated among the best he had observed during his visits to Boys' State. He addressed the citizens in the Assembly Hall and then devoted several hours to answering questions submitted to him by the citizens with "no holds barred."

The Attorney General for West Virginia, The Honorable Chauncey Browning, Jr., made his 12th visit to Boys' State yesterday and talked to the citizens following the noon-day meal. The speaker following the evening meal was The Honorable Edwin Flowers, Justice of the Supreme Court of Appeals.

The speaker for the evening assembly last night was The Honorable Ralph Albertazzie, West Virginia's Commissioner of Commerce and former Air Force I pilot. A number of citizens remained after the assembly program and enjoyed an informal discussion with Colonel Albertazzie relative to his experiences as Air Force I pilot. Colonel Albertazzie was accompanied to Jackson's Mill by his Administrative Assistant, Robert Moran, who introduced him to the citizens. Mr. Moran has served as a "staffer" at Boys' State.
