THE AMERICAN LEGION Mountaineer Boys' State

Department of West Virginia

The 54th Annual American Legion Mountaineer Boys' State was officially underway yesterday afternoon at 1:00 P.M. When the Boys' State Administrator, Robert Stine, began registering the 1991 citizens from throughout the State of West Virginia. Mr. Stine has served Mountaineer Boys' State for 10 years and is presently in his 33rd year as the administrator of the Boys'

State program.

Mr. Stine pledges to continue the same high quality program that has been so successful in the past. The Staff is here to help the citizens. If you need any help with campaigns, et cetera, please let us know. We'll help you in any way we can. If you have any news you'd like to have printed in the daily newspaper, we'd like to know about it. We need your help also. This is your paper, and you have part in the news. Your counselors have been given a form for you to use in getting us the news from your cottage.

Please enjoy the week. Get involved in the activities offered this week; whether it be in the elections or athletics. Have a good time, learn a lot about your State Government, and

make friends.

FROM THE EDITOR'S TYPEWRITER

During the course of the week you will be scored on many phases of citizenship while at Mountaineer Boys' State. Daily scores will be given on cottage check. The results of the scores will be published each day in the newspaper and a final score at the end of the week. "Pitch in" and help your counselors and citizens. They would love to have the highest score for the week. Clean your quarters and see how your score will total at the end of the week.

Also daily scores will be printed of the athletic events. Watch for your cottage and the results of the athletic events. Join in and help your cottage. There will be competition in volleyball, basketball, and softball.

You have a good staff of athletic directors here who are very interested in your week. They are also here to help in

Please feel free to have news printed in the paper. If you have anything you would like to add to the newspaper we will be happy to print it. Bring your news to Headquarters.

CONGRESSMAN BOB WISE SPEAKS TO CITIZENS AT EVENING MEAL

Congressman Wise spoke to the Citizens at the evening meal on Sunday, June 9, 1991. He had been a citizen himself 26 years ago, and while here at Jackson's Mill he ran for Governor but was defeated. His comment about his stay here as a citizen was "It was the most memorable time in my life."

To add a little humor, Congressman Wise said, "During my 9 years as Congressman, I found that the shorter the speech, the more people liked it."

He encouraged the citizens to make up their mind and go for it. The should hustle votes from the other citizens and let them know what sets them apart from others. Each and every candidate should have a message that says, "I've got a plan", and that message should have three parts: (1) Education is the only passport to learning, (2) Educate the people on medical health protection, jobs, and economic develop ment, and (3) Make a plan to solve problems and move ahead.

He suggested that the citizens should learn from their experience at Boys' State by asking, "What can I do and what can I take from this place to be successful."

Each person has two choices: (1) they can either not participate and not register to vote; or (2) they can get involved and make sure they have a say in what happens to their money through taxes.

His final remark was made to any citizen who is planning to become a candidate in the elections while here at Jackson's Mill: "Campaign like hell."

BOB WISE (D) of Charleston, Kanawha County; born January 6, 1948, in Washington, D.C. Education: Duke University: Tulane University College of Law. Attorney. Elected to the State Senate in 1980 from the 17th Senatorial District. Elected to the 98th Congress in 1982, the 99th Congress in 1984, the 100th Congress in 1986 and the 101st Congress in 1988.

JUSTICE NEELY SPEKS TO CITIZENS AT EVENING ASSEMBLY

Justice Richard Neely Supreme Court of Appeals

Justice Neely has been coming to Boys' State for over 20 years and it is always the high point of his year because he can talk seriously about the problems of government to a group of men who may one day actually do something to solve those problems.

His topic centered on the single most important subject in all of America's Domestic affairs: Why state and local governments are falling apart all around us and why our social insurance mechanism is in jeopardy of complete collapse. The reason that government is falling apart throughout the United States is that the stories we are currently telling one another about how to live our private lives are basically wrong. He feels that these wrong storeis are turning us from a liberal, generous people into a selfish and mean-spirited one.

He related some "right stories" that have provem themselves down through the ages in every society that has been successful

It is important to tell the right stories now so that America will be an even greater country in the 21st century than she has been in the 20th century. If anything is going to happen in West Virginia, it is only because you and I are going to make it happen.

DEPARTMENT COMMANDER SPEAKS TO CITIZENS

Robert L. Rulen, Department Commander of the American Legion, Department of West Virginia, welcomed the Citizens to Mountaineer Boys' State at the Evening Assembly.

He told the citizens that the rich tradition of Boys' State is first in importance in influencing the lives of many young men in WV. The youth of West Virginia will be the future leaders and need to be prepared for the position they choose to take in life. The American Legion is helping to make this possible. He also praised the Staff of Mountaineer Boys' State for the job they are doing to make the week very profitable and informative.

He made a personal appeal to all the citizens: "Always keep the best interest of America in your heart." He congratulated the citizens on being chose to attend The Boys' State Program as a representative of their schools and communities.

KEYS TO THE DUNGEON**

BY R. WAYNE SCHMITTBERGER

his is the 13th-century dungeon maze of the infamous Balmanian Inquisition, in which, according to legend. thousands of men and women perished. Balmanian prisoners faced a cruel obstacle in trying to negotiate the maze, as they had to grope their way in the dark while pursued by a pack of wild dogs. By contrast, the puzzle as presented here should be almost child's play. The plan for the dungeon shows the prisoner's cell in the middle

(marked START), a network of hallways. six locked rooms, and six key rooms located on the periphery. To enter or leave a locked room, you must first secure the appropriate key: Key TC unlocks the Torture Chamber, Key A unlocks the Archives, and so on. Once a room has been unlocked, it remains unlocked, and you may carry as many keys as you wish. Retracing your steps is allowed. To escape, in what order must you visit the rooms?
