## "MONROE COTTAGE AIMS TO RETAIN TITLE"

The Bill Fugitt Trophy is awarded at the end of the week to the cottage with the best comprehensive score in eight categories. Last year the winners of this award were the citizens of Monroe Cottage.

The counselors of Monroe have already made it clear to their citizens that the same standards are expected this year. To this point (Tuesday evening), Monroe has had an impressive 71.4% pass the bar exam and a 96% on inspection Monday morning. Although off to a strong start, Monroe can expect heavy competition throughout the remainder of the week.

## COLLEGE PRESIDENTS SPEAK TO CITIZENS OF MOUNTAINEER BOYS' STATE

DR. NEIL S. BUCKLEW - addressed the citizens at the noon meal today. Dr. Bucklew is the President of West Virginia University. The campus at Jackson's Mill belongs to West Virginia University. Dr. Bucklew's advice to citizens today included many good points. They must use this experience at Boys' State for professional careers in later life. He suggests there is no reason to leave the state of West Virginia for higher education because some of the top rated schools in the country are in West Virginia. There is today a necessity for college educations in order to have a stable career in the future.

Dr. Bucklew is a former Boys' Stater. Some of the better students at WVU have been former Boys' Staters. He also explained some ways of getting financial help to go to college.

He is a native West Virginian. He is married and has five children.

Thank you, Dr. Bucklew, for faithfully attending Boys' State for many years and sharing your knowledge and expertise with the Citizens here.

CLYDE D. CAMPBELL, Ph.D. - Dr. Campbell was also a guest at Jackson's Mill today. He spoke briefly at the noon meal. He is a native of Wheeling, West Virginia. He is married and has one daughter.

Dr. Campbell remembered being a Citizen at Boys' State. He feels the Citizens here are an asset to West Virginia and urged the Citizens to continue education and get much out of the camp. He urged them also to always remember their experience here at Jackson's Mill.

Dr. Campbell is the President of West Liberty State College near Wheeling. He holds many patents in the U.S. and foreign patents. He has also written many publications in the field of science, many of which are published in science journals.

We welcome you here today, Dr. Campbell, and invite you back each year to speak to the citizens.

DR. ROBERT J. DILLMAN - is currently the President of Fairmont State College and has been there for four years. He has also been with us at Mountaineer Boys' State for four years. Dr. Dillman spoke to the citizens at the evening meal today. He stressed several points: Citizens should make friends with those around them because they will be important to them in the future. He stressed that a college education is no longer desirable, it is an obligation. We are living in a global economy and "no one is an island"-We must interact with each other.

He discussed the meaning and importance of the new FBI and Aerospace Centers in Harrison County and the new NASA Center in Marion County.

Thank you, Dr. Dillman, for being a part of the 1992 Mountaineer Boys' State. We invite you back each year.

# Rat Thom

*An honest-to-goodness legend going strong*

## RAT THOM - A GRAND OLD GENTLEMAN

Russell Albert Thom (RAT), a military veteran and life long American Legion activist, was one of the prime organizers of West Virginia's nationally acclaimed "Mountaineer Boys' State" yearly encampment at Jackson's Mill. This was at the time when the growing influence of the "Hitler Youth Camps" were proliferating throughout America. The Boys' State Program was to offset the influence of the Hitler Youth Camps. Rat Thom and Dr. Kercheval are the only two persons yet living from that group of visionary gentlemen from the mid thirties who began the exalted program.

Rat Thom still makes his usual trip to Jackson's Mill in June and gives his inspired address to the approximately 400 young men who are there.

Rat Thom is best known for his work with the Mountain State's yearly track and field meet at Laidley Field in Charleston. At the amazing age of 88, he still jogs at a quick pace for five miles each morning. Rat Thom is one man who has given back to his state and his country far more than what he ever extracted from them.

The man with a thick mane of snow white hair and a booming voice seldom allows a chance to slip by which he can use for instilling into youngsters the profound value of honesty, the bonded word, patriotism and a love of the flag.

Mr. Thom is here again to address the citizens at the evening assembly. Let's welcome him and appreciate him for his love of country, his love of youth, and his dedication to programs for the youth of America. THANK YOU, MR. THOM, FOR BEING A PART OF THIS BOYS' STATE.

**Rat Thom's devotion to young people has never wavered.**

Isn't it strange that princes and kings  
And clowns that caper in sawdust rings  
And common folk like you and me  
Are builders of eternity?

To each is given a bag of tools.  
A shapeless mass and a book of rules  
And each must make, before life is flown  
A stumbling block or a stepping stone.

## ELECTION CONSULTANTS LEND A HAND AT JACKSON'S MILL

We are very appreciative of the help received here this week from four well trained people. They assisted in the Primary and General election results through the use of some very sophisticated computer equipment. The citizens were able to view the results of the election as it was projected on a large screen in Harrison Cottage. Thanks so much for your help.

Those giving of their time to help with the election this year were:

MARILYN WALTON - Marilyn worked for 16 years in County Government in Upshur County, serving as Deputy County Clerk, County Clerk, and County Administrator. "It was the experience gained working with elections at this level that allowed me to be of service here at Boys' State. I am now employed by the FBI Identification Division at the Clarksburg Satellite. I am back again this year because of the great people I met last year."

Thanks, Marilyn, for a job well done. These citizens had the opportunity to do something for the first time when they viewed all the returns for the primary and general elections.

RON PUGH - Ron is a graduate of Buckhannon-Upshur High School, attended West Virginia Wesleyan College, West Virginia Business College and IBM Programming School in Dallas, Texas. He served four years with the USAF Security Service, with tours in Texas, Turkey and Japan. Eighteen year member of Frank B. Bartlett Post 7 American Legion in Buckhannon, having served as Adjutant and Commander. Employed in 1972 as bookkeeper in Upshur County Clerk's Office. He was appointed as County Clerk in 1976 and served in that capacity until June, 1989. He has been employed since then as West Virginia sales representative for Dayton Legal Blank Company, serving County and Municipal governments and Boards of Educations in all 55 counties. While serving as County Clerk he was active in the International Association of Clerks, Recorders, Election Officials and Treasurers and served as WV Director to this association for 4 years. He attended several Election Commission conferences. He was president of the WV Association of County & Circuit Clerks and also president of the WV County Officials Association. His current job still keeps him in touch with elected officials in WV. "I keep current with election laws. Dayton Legal Blank Company is the WV distributor for Business Records Corporation, the manufacturer of the election equipment used at Boys' State."

"In case anyone is interested, I am married for 26 years to the former Sue Walton of Buckhannon, and we are the parents of two daughters, Aimee, a senior journalism major at WVU, and Alicia, a junior at Buckhannon-Upshur High School."

JAMIE SIX - Jamie lives in Vienna and has been County Clerk of Wood County since 1987. He is a 1979 graduate of Parkersburg High School. He took computer classes at WVU - Parkersburg Branch.

Jamie was selected "Outstanding Young Men in America" in 1989, and named in Steven's Who's Who in Government Services in 1991. He was also the youngest county clerk ever elected in West Virginia.

Jamie is married and has two children. He is presently secretary of the Rotary Club in Parkersburg. The Rotary Club sponsors 3 Boys to Boys' State and 3 girls to Girls' State.

Thanks to you, Jamie, for being so helpful during our election, both primary and general.

JAY DAY - Jay was unable to be with us tonight because of a previous commitment at a 4-H Camp in Wood County doing the same duty as he did for us last night.

Jay is the Administrative Assistant in the Wood County Clerk's Office. He is a graduate of Glenville State College in Education and Business Administration. Thanks to you, Jay, for your help.
