# The Federalist Manifesto

God Must be a Fed,  
cus he made the Sky Blue

## Platform:

We propose...

1. The age for alcoholic consumption be lowered from 21 to 18, because if you can fight and die for your country or vote for congressman that decide alcohol-related laws then why can you not drink at free will.
2. An amendment that would keep gender discrimination from occurring with Male/Female Car Insurance, because women are always wanting equal rights, so its our turn now!
3. To legalize casino gambling and tax it, encouraging tourism and reducing the state debt.
4. To create a Board of Doctors to review and prescreen all medical malpractice lawsuits and determine the validity in each.
5. To create a Worker's Compensation Committee charged with the task of determining the severity of injuries while at work and to set standards for injury levels.

## The Top 8 Reasons to Vote Fed...

8. The Founding Fathers were Feds
7. Relaxed Inspections...
6. What color is **your** shirt?...yeah everybody is a true Blue
5. NBA/NHL Finals TV privileges
4. Who would you rather be: Pinky or **The Brain**?
3. Nap Time, need we say more?
2. What other party has a 5'8" **Wang**?
1. Two words: Co-ed State
