American Legion Boys State

By: The American Legion Department of West Virginia

American Legion Boys State activities include State is among the most legislative sessions, court respected and selective proceedings, law-enforcement educational programs of presentations, assemblies, government instruction for bands, choruses and recreational U.S. high school students. It is a participatory program in which students become part of the operation of local, county and state government. American Legion Boys State was founded in 1935 to counter the socialism-inspired Young Pioneer Camps. The program was the idea of two Illinois Legionnaires, Hayes Kennedy and Harold Card, who organized the first American Legion Boys State at the Illinois State Fairgrounds in Springfield.

American Legion posts select high school juniors to attend the program. In most cases, a sponsoring post, local business, community-based organization, or individual pays the Citizen's sponsorship to the program.

American Legion Boys State programs currently exist in all American Legion Departments except Hawaii. As separate corporations, American Legion Boys State programs vary in content and method of procedure, but each adheres to the same basic concept: teaching government from the township to the state level.

American Legion Auxiliary sponsors a separate but similar program for young women called American Legion Auxiliary Girls State.

At American Legion Boys State, participants learn the rights, privileges and responsibilities of franchised citizens. The training is objective and centers on the structure of city, county and state governments. Operated by students elected to various offices, American Legion Boys State program is the second oldest in the nation and began in 1936. It is the only program to still be held where it was founded. The Boys State Board of Directors, in recognition of the exigencies of the war years, cancelled the program for the years 1943 and 1945.

Why Do We March?

By: The American Legion
Department of West Virginia

Marching is the most efficient, and more importantly, the SAFEST way to move large groups of people in the limited amount of time we have. Mountaineer Boys State has a very good safety record in its eighty year history.

Requiring the citizens to march is a major factor in achieving and maintaining that record.

Secondly, many dignitaries and other guests throughout the week visit us. Seeing the citizens marching to class, to the dining hall, and to the Assembly Hall is quite impressive and adds to the prestige of Boys State.

Marching is as much a part of Boys State as the American Legion itself and prepares us for the Formal Review to honor the newly elected state officials and our Veterans on Wednesday.

So Hup...two... three... four.... and have fun!

Pledge of Allegiance

Title 4 U.S. Code § 4

“I pledge allegiance to the Flag of the United States of America, and to the Republic for which it stands, one Nation under God, indivisible, with liberty and justice for all.”

The Pledge of Allegiance to the Flag of the United States of America should be rendered by standing at attention facing the flag with the right hand over the heart.

When not in uniform men should remove any non-religious headress with their right hand and hold it at the left shoulder, the hand being over the heart.

Persons in uniform should remain silent, face the flag, and render the military salute.

Members of the Armed Forces not in uniform and veterans may render the military salute in the manner provided for persons in uniform.

POW/MIA Society

www.pow-miafamilies.org/

POW/MIA recognition day is the third Friday in September. It was chosen to salute all prisoners of war and soldiers who have gone missing in action, and a flag was created with it to bring recognition to unreturned soldiers- that flag is now officially a national flag. On this day there are ceremonies throughout the nation for remembrance of the fallen or unreturned, so as not to let the public forget.

The League's sole purpose is to obtain the release of all prisoners, the fullest possible accounting for the missing and repatriation of all recoverable remains of those who died serving our nation.

What is Taps & When Is It Used?

Taps is now played by the military at burial and memorial services, to accompany the lowering of the flag and to signal the “lights out” command at day’s end.

Throughout the week of American Legion Mountaineer Boys State you will hear *Taps* sounded numerous times throughout the day. When heard, it is appropriate for you to stand in place and surrender a proper salute.

Words to Taps

Day is done, Gone the sun,
From the lakes, From the hills, From the sky,
All is well. Safely rest. God is nigh.

Fading light, Dims the sight,
And a star, Gems the sky, Gleaming bright,
From afar, Drawing nigh, Falls the night.

Thanks and praise, For our days,
Neath the sun, Neath the stars, Neath the sky,
As we go, This we know, God is nigh.

Men of Tomorrow

*Written by Roy Lee Harmon – Music by Margaret Nicely Leidig
The official song of Mountaineer Boys State*

VERSE

Someday the State we love will call for leaders strong and bold
To solve the problems great or small and we'll be enrolled
For service to our fellowmen, and we won't be afraid,
We're training now for service, then we'll lead the big parade.

CHORUS

Oh, we're the . . .
Men of Tomorrow, we march along in happy ranks today.
We never borrow a bit of care or grief along the way.
Gladly we're learning the things a good American should know.
Gladly we're yearning to chart the way a patriot should go.
 With lessons done, objectives won
 Good citizens we'll be;
 We'll proudly stand in our home land
 When Mountaineers are free,
Men of tomorrow, good fellowship each one of us enjoys,
Men of tomorrow . . . a group of all American boys.

Jamie Summerlin Speaks at Mountaineer Boys State

If anyone can run the distance, it's Marine veteran Jamie Summerlin. His passion for running and empathy for fellow veterans inspired him in March 2012 to embark on a 3,452-mile, 100-day cross country journey that began in Coos Bay, Oregon, and ended in Rehoboth Beach, Delaware. His trek across 16 states and the District of Columbia, detailed in his book "Freedom Run," not only raised money for national and local organizations whose mission is to assist veterans, but it inspired communities and veterans alike to Dream Big and find ways to support the U.S. Military and those who have served our country so bravely.

Jim Ryun, former U.S. Congressman, 3-time Olympian and world record holder, calls "Freedom Run" a captivating book that is the story about the true American spirit; U.S. Senator Joe Manchin says Summerlin's book shows all of us that we can each do more.

Summerlin was recognized as one of the 55 Great Things in WV by the WV State Journal in 2012 and was most recently featured in Morgantown Magazine.

He serves on the Bd. Of Directors for Operation Welcome Home, a Veterans facility in Morgantown, and is also an inspirational speaker for business and professional organizations, schools, veteran groups, and the running community.

He and his wife, Tiffany, also a Marine Corps veteran, reside in Morgantown with their two children, Nicholas and Shayna.
