Dear Friends,

Welcome to the 2020 Mountaineer Boys State!

Congratulations on being selected to participate in the Nation's premier educational program. You should be proud of the achievements that have led you to this moment and excited for the opportunities and triumphs that are ahead of you.

I encourage you to reflect on the decades of history behind this program and the former participants who have continued on to distinguished careers in public service. However, do not be afraid to challenge conventions, to innovate and find new ways to better your family, community, state, and country.

I am honored to join the American Legion in welcoming you to this valuable program. Your participation in this conference signifies a venerable responsibility to thoughtfully engage with your fellow citizens and participate in government at every level.

I look forward to seeing how you contribute to the future of West Virginia.

Sincerely,

Alex X. Mooney
Member of Congress
