Dear Friend,

As Congressman for the First District of the great State of West Virginia, I am honored to congratulate you on your acceptance into the 83rd Annual Mountaineer Boys State.

The Mountaineer Boys State is the second oldest Boys State Charter in our nation and your selection to be a part of it shows that you are a leader in your school and your community. You should be very proud of this accomplishment and in knowing that you are a part of a very select few that are chosen to take this wonderful journey.

You will soon be a participant in one of the most exciting and unique experiences in education where you will learn what it is like to govern and to lead. You will be exposed to practical training where you will play a part in the functions of government including law enforcement, the courts, the legislature, and even the board of education, to name a few. Participating in one of West Virginia's premier leadership courses for young men, you have the remarkable opportunity to grow and become leaders of tomorrow.

Please take this upcoming opportunity to learn all you can, to cultivate new friendships, and to take away memories and knowledge that will last a lifetime. Your education and experience gained with this wonderful program will always serve you well.

Once again, congratulations and welcome to 2022 Mountaineer Boys State. You are truly the future of West Virginia!

Sincerely,

David B. McKinley, P.E.
