## US Flag Code

*Adopted June 14, 1923*

On June 14, 1923, Representatives from over 68 organizations, led by the American Legion's Americanism Commission, met to draft an authentic code of flag etiquette. The code drafted by this conference was given nationwide distribution. This was done so that we all do things the same way when it comes to the Flag of the United States of America.

The Flag of the United States is considered to be a living symbol representing our country. Your flag represents the many freedoms, rights, and responsibilities entrusted to the citizens of this country. The proper display and use of the flag is the responsibility of every citizen. The code is simply a guideline for proper display of, and honor to, our flag. There are no penalties for violation of the provisions of the code.

*Should there be?*

## Flag Presentation Ceremony

*Defined by The American Legion*

To make sure that Old Glory flies free and aloft you conduct a Flag presentation ceremony. This ceremony is a happy ceremony because truth, Justice, and our way of life have been preserved. Flag presentation ceremonies are utilized by veteran's organizations to give thanks and appreciation for support of the American ideals to another entity, individual, or organization.

### YOUR FLAG AND MY FLAG

Your flag and my flag,  
And how it flies today  
In your land and my land,  
And half a world away!  
Rose-red and blood-red,  
The stripes forever gleam;  
Snow-white and soul-white,  
The good forefathers' dream;  
Sky-blue and true-blue,  
with stars to gleam aright  
The gloried Gideon of the day;  
a shelter through the night

## American Legion Mountaineer Boys State Flag

Although provided for and described in the Constitution, ratified in 1937 by the Citizens of the American Legion Mountaineer Boys State, the actual purchase of the official flag was not made until National American Legion Headquarters approved the design in March of 1957.

The flag has the profile of Stonewall Jackson surrounded by the 14 counties of The American Legion Mountaineer Boys State represented by stars (nine gold for the original counties and five navy for the additional counties) upon a white background. The lettering includes the American Legion, Department of West Virginia, Mountaineer Boys State and its motto: "Build for Citizenship".

The flag was reproduced in 2012, for the 75<sup>th</sup> American Legion Mountaineer Boys State.

## Don't Pass It Up, Pick It Up!

The campus of West Virginia University Jackson's Mill is a beautiful place. Let's take good care of it this week by picking up trash and recycling pop cans. Let's leave the grounds as clean and neat as they were when we arrived.

*Senator Shelly  
More Capito  
to speak at the  
83<sup>rd</sup> American  
Legion  
Mountaineer  
Boys State*

Shelley Moore Capito was elected by the people of West Virginia to the United States Senate in 2014. She is the first female U.S. Senator in West Virginia's history and was elected with the largest margin of victory for a Republican in state history – winning more than 62 percent of the vote and all 55 counties. After serving West Virginia's Second Congressional District in the U.S. House of Representatives for 14 years, and as a member of the West Virginia House of Delegates for four years prior, Shelley decided to run for Senate to be an even stronger voice for the Mountain State. She also saw an opportunity to restore order to a Senate stuck in gridlock for far too long. Shelley believes that today's challenges demand bipartisan solutions and cooperation across the aisle to advance legislation that benefits West Virginia and the country as a whole. Shelley serves on the Senate Appropriations Committee; the Commerce, Science and Transportation Committee; the Energy and Natural Resources (ENR) Committee; the Environment and Public Works (EPW) Committee; and the Rules and Administration Committee. This committee portfolio puts her in a strong position to create new opportunities in the Mountain State and fight for West Virginia coal, jobs, and families. On the Appropriations Committee, Shelley brings West Virginia's voice to the table when our nation's spending priorities are determined. She serves as Chairman of the Appropriations Committee's Financial Services and General Government Subcommittee. On the EPW Committee, Shelley advocates for policies that protect vital West Virginia energy and manufacturing jobs and encourage investment in West Virginia's infrastructure. She serves as

Chairman of the EPW Committee's Clean Air and Nuclear Safety Subcommittee. On the Commerce Committee, Shelley promotes rural broadband expansion to better serve states like West Virginia. Shelley is committed to being accessible and responsive to the people of the Mountain State. She regularly travels the state to hear from and meet with West Virginians. A lifelong West Virginian, Shelley was born in Glen Dale in the Northern Panhandle. She holds a B.S. in Zoology from Duke University and a M.Ed. from the University of Virginia. Shelley and her husband, Charles L. Capito, Jr., reside in Charleston. They have three adult children: two sons, Charles (wife Laura) and Moore (wife Katie), and one daughter, Shelley (husband Colin Macleod). They have also been blessed with six grandchildren: Celia, Charlie, Eliza, Rose, Arch, and Macaulay. More information:
