THE AMERICAN LEGION MOUNTAINEER BOYS STATE 84TH ANNUAL: JUNE 11 – JUNE 17, 2023 WEST VIRGINIA HIGH SCHOOL PACKET

OVERVIEW: Enclosed is information on The American Legion Mountaineer Boys State. ALMBS, which has existed since 1936, is a youth development program offering students insight into the practical operation of state government and to demonstrate that citizens are responsible for the character and success of their government. As such, ALMBS is an activity of high educational value, born out of the need for youth development and practical citizenship.

ALMBS is a *leadership action program* where qualified high school students take part in a practical government exercise. It is designed to develop a working knowledge of the structure of state government and to impress upon the citizen the fact that our government is just what we make it.

The goal of ALMBS is to teach good government through participation by becoming a model state government and operating it as such. It is an objective citizenship training program which strives to inculcate individual responsibility to the community, state, and nation.

Please take the time to review the enclosed materials and provide the requested response by November 4, 2022. You may visit <https://wvboysstate.org> for additional information on the program.

It remains our goal to have every high school and home school community in the State of West Virginia represented at each annual ALMBS session. We are willing to work with you to assure that your high school is represented at the program.

Please do not hesitate to address any questions regarding ALMBS to the point of contact for your area listed in the enclosed materials. You may direct questions and concerns to the Director at almbs@wvboysstate.org.

PURPOSE: ALMBS has been a program of The American Legion, Department of West Virginia since 1936. ALMBS participants are exposed to the rights, privileges, duties, and responsibilities of a franchised citizen. The training is objective and practical with multiple levels of government activities operated by the participants elected to the various offices. There are executive, legislative, and judicial sessions; assemblies with a variety of keynote speakers; and Americanism presentations.

BENEFITS: ALMBS graduates become members of an elite group of individuals who have completed “*A Week That Shapes A Lifetime!*” and return as better citizens and leaders to their local schools and communities. ALMBS attendees are eligible to apply for the Samsung Scholarship if they are direct descendants of a US wartime veteran. This scholarship opportunity is worth up to \$10,000 towards any higher education institution, including but not limited to state, private, and technical institutions. All ALMBS graduates are also eligible for numerous leadership scholarships at private and public colleges and universities across the nation. ALMBS attendees also receive extra merit points toward admission to all US Military Service Academies.

Note: All applicants of the Samsung Scholarship will submit an online application. During the application process, the applicant is required to provide their high school official’s contact information for confirmation of GPA, class ranking, etc. Please be prepared to respond to these requests so that your students can successfully be considered for potentially \$10,000 in scholarship funds.

THE AMERICAN LEGION MOUNTAINEER BOYS STATE 84TH ANNUAL: JUNE 11 – JUNE 17, 2023 WEST VIRGINIA HIGH SCHOOL PACKET

COST: The entire cost for one boy to attend ALMBS is \$350. Local American Legion posts, or sponsors they can obtain, usually pay this fee. ALMBS is always looking for sponsors and perhaps you may have some civic groups, individuals or businesses in your community that would be willing to underwrite the cost of sending young men to ALMBS. If so, please contact your local American Legion Post or The American Legion Department of West Virginia Headquarters at (888) 534-4667. An interested applicant may also locate his own sponsor or he and/or his family may pay the \$350 fee, which covers program expenses. The American Legion Mountaineer Boys State, Inc. is a non-profit 501(C)(3) tax-exempt organization and any donation to ALMBS is tax deductible as allowed by applicable law.
